# Consulting

AcornGlobal provides Project Consulting and Logistics Management Services.

We support our clients in developing innovative ideas and strategies prior to project kick-off and during the execution phase.

## CUSTOM CLEARANCE

In almost every ports in Nigeria, we provide customs clearance brokerage, handled in-house or through licensed professionals, in full compliance with the standards of the Customs & Excise Management Act (CEMA).

## FEASIBILITY

Our clients rely on AcorGlobal to provide accurate and relevant information that supports their decision-making and helps determine how viable their projects are.

# Technology: **Tracking**

The easy-to-use AcornGlobal tracking tool gives you real-time information about the location and status of your shipment, and its current estimated time of delivery.

Allocation of a tracking number means that you can access detailed shipment data online without having to log in.

Our tracking technology has now been upgraded with an even more detailed overview and status information for each of your shipments.

# CARGO INSURANCE

As the saying goes: "It's better to be safe than sorry".

Our comprehensive cargo insurance covers both onshore and offshore property and loss or damage of cargo on all modes of transportation.

AcornGlobal's Cargo insurance programme is one of the foremost professional risk management tools in the market. We take pride in providing our customer with great rates, coverage, and a quick turnaround time. If you are shipping overseas or importing & exporting general merchandise, we are ready to give your risk exposure the attention it deserves.

## **Our Cargo Insurance Service include:**

- "All Risk" cargo & marine insurance
- Auto transportation cover
- Household Goods transportation cover
- 3rd party liability coverage
- Professional liability coverage
